## 2003 IBC Fire Resistance and Egress for Building Inspectors

### INTERNATIONAL BUILDING CODE

**Course Date:** April 27 - 28, 2006

**Contact Phone Number:** (425) 453-3000

#### Course Overview:

Concentrates on construction and inspection requirements, techniques, procedures and technical knowledge and understanding needed to assist contractors, inspectors, designers, and plan reviewers in determining that minimum building code requirements related to fire and life safety elements of building construction are met. A review of the basic code requirements applicable to both residential and commercial construction will be included.

#### Course Objective:

Identify construction materials, terminology and methods of installation as related to fire and life safety aspects of building construction. Identify building code requirements and the use of the building code. Apply building code requirements to typical examples of common building elements.

#### Course Requirements:

Each participant must bring the *2003 International Building Code* to the course. A soft cover copy of this book is available through the International Code Council (ICC) for \$69.00 plus shipping and applicable tax. The contact phone number for ICC is 1-888-422-7233.

**Course Cost:** \$175.00 (payment is due prior to the start date)

**Class Time:** 8:30am to 4:00pm

**Location:** (housing and meals are the responsibility of the participant)

Red Lion Hotel (by SeaTac Airport)\*

18220 International Boulevard

Seattle, WA 98198

(206)246-5535
